Power of a locomotive

Mighty, resistless power that seems capable of sweeping you on and on forever--that's the first thing you feel when you sit behind the wheel of a Saxon "Six."

You sense it in the motor's low, healthy purr. You feel it in the steady, even pull as the car gets under way.

And then, when you step on the accelerator, what a revelation of power you get. The car leaps forward—eagerly, like a hound un-

Speed is yours - as much as you want-with only a touch of the throttle. Hills are like level places. You romp up steepest grades with-
